A Simple, Home-Made Remedy, Inexpensive but Unequaled

The prompt and positive results given by this pleasant tasting, home-made cough syrup has caused it to be used in more homes than any other remedy. It gives almost instant relief and will usually overcome the average cough in 24 hours.

Get 2 1/2 ounces Pinex (50 cents worth) from any drug store, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. This makes a full pint—a family supply—of the most effective cough remedy at a cost of only 50 cents or less. You couldn't buy as much ready-made cough medicine for \$2.50. Easily prepared and never spoils. Full directions with Pinex.

The promptness, certainty and ease with which this Pinex Syrup overcomes a bad cough, chest or throat cold is truly remarkable. It quickly loosens a dry, hoarse or tight cough and heals and soothes a painful cough in a hurry. With a persistent loose cough it stops the formation of phlegm in the throat and bronchial tubes, thus ending the annoying hacking.

Pinex is a highly concentrated compound of genuine Norway pine extract, rich in vitamin and is famous the world over for its splendid effect in bronchitis, whooping cough, bronchial asthma and winter coughs.

To avoid disappointment in making this, ask your druggist for "2 1/2 ounces of Pinex" and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

Thin People Can Increase Weight

Thin men and women who would like to increase their weight with 25 or 30 pounds of healthy "meat" should try eating a little Sargol with their meals for a while, and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel, but of how much you eat and how much you gain. Sargol is a natural food and must not thin man or woman can easily add from five to eight pounds in the first two weeks by following the directions. And best of all, the new flesh stays put.

Sargol does not at all make fat, but builds up your food. It turns the fat, sugar and starches of what you have eaten into flesh, the perfect nourishment for the muscles and blood—prepares it in an easily assimilated form which the blood can readily accept. All this nourishment passes from your body as waste. But Sargol keeps the waste and does it quickly and makes the fat products of the body. The very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, pleasant, efficient and inexpensive. A. R. Ryan and other leading druggists in El Paso, Texas, and vicinity sell it. Write for free literature to a package—on a guarantee of weight increase or money back—Adv.

fired the second shot Boykin kept moving from side to side as though attempting to dodge further shots, he declared.

William Norton, aged 17, a brother of Elmer Norton, corroborated his brother's testimony in his essential details. He was questioned concerning the feeling in Sierra Blanca against the "T. O. people," including Robertson. He admitted that many people did not like the "T. O. people." Asked by the defendant's counsel if he had not been urged not to tell some things about the tragedy, he stated that two or three men had asked when the case was coming up. Later he admitted that he had told them he was going to tell the truth.

Feeling Against T. O.
"I, Norton, father of the two Norton boys, was the last witness examined during the afternoon. The examination by the counsel for the defendant as to the feeling in Sierra Blanca towards Robertson and the "T. O. people." He stated that there was considerable feeling against them.

"Is it not a fact, Mr. Norton, that when I attempted to ask you earlier in the day about the affair in Sierra Blanca, you said you did not have time to talk to me?" asked attorney Victor Moore.

"Yes, I was summoned to the grand jury and testified there."

Norton's testimony concerning the tragedy which he witnessed was similar to that of the witnesses who preceded him. Concerning the knife which Boykin is alleged to have held in his hand, the witness stated that it was a pocket knife with a blade approximately two and five-eighths inches in length. He stated that he had assisted in removing the clothes from the body of the dead man and said that the man was shot once in the back, once in the left side, once in the arm and once in the chest just below the neck.

Robertson Held on Bond.
Judge J. J. Murphy announced Tuesday afternoon, following the conclusion of the preliminary hearing, that he would hold Robertson on a bond of \$5000 on the charge of having shot Boykin and \$2500 on the charge of having shot Sitters.

It is probable that Robertson will give the required bonds of \$7500 pending the grand jury hearing and will be released.

FUNERALS OF ROBERTSON'S TWO VICTIMS HELD AT SIERRA BLANCA.
"Sierra Blanca, Tex., Jan. 18.—The body of H. F. Boykin, who was killed by H. L. Robertson at an early hour Saturday morning, was interred in the Sierra Blanca cemetery at 2:30 p. m. Monday. The casket and grave were beautifully decorated with flowers. Relatives from elsewhere who attended the funeral were: Miss Ada Boykin, sister of deceased, San Angelo, Tex.; Miss Florence Boykin, sister, El Paso, Tex.; Mrs. T. C. Armstrong, sister, El Paso, Tex.; C. Barren, San Angelo, Tex.; Mr. and Mrs. Logan, Colorado; Mrs. Bert Humphreys, Marfa, Tex.; Walter Sitters, who was fatally shot by Robertson at the same time, died about 9 p. m. Sunday evening and his body was shipped to his father's home at Valentine, for interment there. Sitters was about 22 years old, the son of Joe Sitters, and was only a few days employed by the T. O. ranch at the time of his death. Mr. Sitters, the father, arrived here Saturday evening, expecting to take the wounded boy to the hospital in El Paso, but his son died just a few minutes before the train arrived."

"MONGREL" WINS AT THE CRAWFORD.
Pan Zareta, carrying 126 pounds at the Juarez track Monday afternoon and winning over the field, had nothing to do with the race at the Crawford. Mongrel, the winner of the handicap in "His Last Dollar" in this race track play, Joe Garzon, who is a winner to victory over a fast field, although Garzon, in the person of Bert Gagnon, weighs at least 150 pounds and Mongrel carries 126 pounds. His weight over the course to win.

It is all in the play which is being staged at the Crawford this week. Garzon's ride, Mongrel is only a bit of the "poetic license" of the stage. As the winning of the horse also wins the money to pay off the mortgage on the old Kentucky home and incidentally gives Garzon first call on the fair Kentucky's hand and heart, Mongrel should not and evidently does not carry a few dozen extra pounds.

Like "Wildfire" of last week, "His Last Dollar" deals with blooded horses and the local color of the race track. It is not as strong as Lillian Russell's big hit, but it has some interesting character parts and the lyric players give a very creditable presentation of it.

Bert Garzon is the hero, of course, winning the handicap, defying the villain and winning the girl in his best Garzonian style, which is a pleasing one. Miss Pollock plays the part of the Kentucky girl who is the daughter of the villain and is a very creditable presentation of it.

Girls! Girls! Save your hair!
Make it grow luxuriant and beautiful

If you care for heavy hair, that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff, you can not have nice, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not removed it produces a few months later, the hair falls out and the hair roots fall out and die; then the hair falls out fast.

If your hair has been neglected and is thin, dry, brittle, or falling out, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will see that this was the best investment you ever made.

We sincerely believe, regardless of everything false advertised, that if you desire lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. It eventually—why not now?—Adv.
